PRAYING AGAINST NEGATIVE GENERATIONAL PATTERNS IN OURSELVES AND OUR CHILDREN

Pre-registration required
$5 (CAD)

TUESDAY JAN 19TH @ 5-6PM PACIFIC TIME

Jodi Jackson-Tucker
FOUNDER AND PRESIDENT OF SECOND MOTHERS
NORTH CAROLINA, USA

Foster Care and Adoption bring multiple family lines into a household. Generational patterns can impact both our own parenting and the behaviors of the children we parent. This workshop will explore the concept of generational influences in family constellations, using both research and Biblical insights.

Participants will have the opportunity to begin a personal and family genogram while learning prayer strategies for overcoming negative patterns and finding freedom. This session will conclude with prayer for all participants, with individual prayer available at the conclusion of the session.
